FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of Prosecution Services** assume the proposal would have no measurable fiscal impact on their agency.

For the purpose of this proposed legislation, officials at the **Office of State Public Defender (SPD)** cannot assume that existing staff will provide effective representation for any new cases arising where indigent persons are charged with the proposed new crime of false identification to a law enforcement officer - a new Class B misdemeanor.

While the number of new cases (or cases with increased penalties) may be too few or uncertain to request additional funding for this specific bill, the SPD will continue to request sufficient appropriations to provide effective representation in all cases.

Oversight assumes the SPD can absorb the additional caseload that may result from this proposal.

Officials from the **Office of the State Courts Administrator** assume the proposal would not create a fiscal impact in excess of \$100,000.

Oversight assumes CTS could implement the proposal with existing resources.

Officials from the **Department of Public Safety - Missouri Highway Patrol** assume the proposal would not fiscally impact their agency.
